

CALVERT CATHOLIC SCHOOLS DEVELOPMENT OFFICE

MISSION STATEMENT

“Living our Legacy – Funding our Future”

Beginning with the Calvert High School class of 1927, Calvert Catholic Schools has a rich tradition of providing a faith and values based vocational arts and college preparatory level education. Calvert Catholic Schools is noted for its pursuit of academic excellence and for the development of the total person. Christ centered, each of our three campuses is noted as a caring community where each person is invited to build quality interpersonal relationships and to exercise a positive influence on the climate of the schools, the community and most significantly on each other.

Dedicated to educating a diverse student body spiritually, academically and socially in a setting that encourages growth in faith and moral responsibility rooted in the traditions and teachings of the Roman Catholic Church, our graduates have gone on to serve their communities and their country in a variety of professions in the immediate area as well as across our nation.

At Calvert Catholic Schools, our belief structure is based upon the following:

Spiritual – Learning and living our faith is an essential component of education promoting the development of a lifestyle committed to daily prayer, the practice of and continued growth in faith and ongoing service to the community.

Academic – Mastery in an academic subject requires our students to complete their work in a responsible, ethical manner. Students will further enhance their learning experience and work towards self-mastery through participation in extracurricular programs.

Social – Students, faculty, staff and their families are representatives of Calvert Catholic Schools and our behavior affects our environment and reputation. As invested members of our communities, we should at all times behave in a socially appropriate and morally responsible manner indicative of our Gospel beliefs.

“Living Our Legacy” – Over 80 Years of Catholic Education – “Funding Our Future”

To insure that the Calvert Catholic Schools continue in this spirit to educate and embody our students to become conscientious and contributing members of their Church family and civic communities well into the future, we will launch an ambitious project with three major components;

Endowment Campaign: Vision 2010 - \$10.0M by the end of the Year 2010 (10 x 10)
Increase Enrollment: Goal = 20% to 30% in the above time frame. “No Child Left Behind”

Enhance Our Marketing: Who we are; What we are about; What we have accomplished; Where we are going!

VISION 2010 Campaign Scripture Verse

“.....with God all things are possible” *Matt 19:26*
