WELCOME BACK!

Calvert Catholic Schools participates in the National School Lunch Program, which is designed to provide meals that are nutritious, tasty, and appealing to students in a safe, sanitary, and cost-effective manner.

A lunch consists of 5 components: an entrée, which is 2 components (protein & grain), fruit, vegetable & fat-free or low fat milk. Students must select at least 3 of the 5 components, one of which must be a fruit or vegetable.

Due to the Cyclospora outbreak we are not going to have a salad bar until health officials confirm outbreak is over. We will instead have a fruit bar that will have different fruit options and offer 2 hot vegetables.
